## Festival Director's Recommendations - Don't Miss These Films!

Every year the audience asks me which films they should see. **SERAPHINE, THE SONG OF SPARROWS, MID-AUGUST LUNCH** and **TOKYO SONATA** have been heavily praised by film fest audiences and with critics around the world. Off the beaten path, the following five picks are certainly buzz worthy and films which I'm glad to have seen. *Good Fest! Amy*

Matar A Todos

Missing Person

Pachamama

Tengri
