Festival Director's Recommendations - Don't Miss These Films!

Every year the audience asks me which films they should see. **BEAUTY IN TROUBLE**, **BELLE TOUJOURS** and **THE ROCKET** have been heavily praised by film fest audiences and with critics around the world. Off the beaten path, the following five picks are certainly buzz worthy and films which I'm glad to have seen. *Good Fest! Amy*

Adrift in Manhattan

Border Café

Cinerama Adventure

How To Cook Your Life
